## Exodus (Hardback)

By Daniel Berrigan

CASCADE BOOKS, United States, 2008. Hardback. Condition: New. Language: English. Brand new Book. Description: The prophets exhort us to defend the poor; but we lionize the rich. They assure us that chariots and missiles cannot save us; yet we seek refuge under their cold shadow. They urge us to forgo idolatry; but we compulsively fetishize the work of our hands. Above all, the prophetic Word warns us that the way to liberation in a world locked down by the spiral of violence, the way to redemption in a world of enslaving addictions, the way to genuine transformation in a world of deadened conscience and numbing conformity, is the way of nonviolent, sacrificial, creative love. But neither polite religion nor society is remotely interested in this--which is why Jesus had to "translate" and "midwife" the prophetic insights for his companions in their historical moment. Dan has done the same for us in ours. As this reading of Exodus attests, he has a keen eye for both text and context, and exegetes both with his life. Thus does he help us shed our denial, connect the dots, and move from our pews to the streets. --from the foreword by Ched Myers Endorsements:...
